

HUMBOLDT-UNIVERSITÄT
ZU BERLIN

Certificate of honor

On behalf of Department of Geography at Humboldt University of Berlin
I am pleased to recognize and honor

Dr. Diana Dushkova

for her contributing and supporting the activities of Humboldt University of Berlin especially in the field of international cooperation with the Faculty of Geography of Lomonosov Moscow State University.

*Thank you for your outstanding and lasting contribution to the success of the research project
“Landscape and human well-being: identification, assessment and communication
in the field of ecosystem services” (2014-2016) supported by the Parliament of Berlin,*

*and the HU/MGU Summer School program “An Interdisciplinary Perspective on Ecosystem Services and
Human-Well-being”, (June 2015/2016) by Department of Geography
at Humboldt University of Berlin and Helmholtz Centre for Environmental Research – UFZ.*

We are looking forward to further fruitful cooperation between MGU and HU.

June 22, 2016

Prof. Dr. Dagmar Haase
